LETTER

Dear Examiner Luby:

Pursuant to our telephone conversation of September 14, 2005, you confirmed that you had not begun your Office Action and will correct the restriction to replace Species I election with Species II election of claims 1, and 5-10. You also advised that you will attach the interview summary with Office Action to confirm Species II is being examined as now elected.

Please contact me if you require anything further.

Respectfully submitted,
